

ACT OF CONSECRATION

Sacred Heart of Jesus, who has so loved men
and to them asks nothing but love

I,
anxious to satisfy the ardent desire of Your divine
Heart, through the hands of Immaculate Mary,
consecrate myself to You as a littlest soul, promising
to strive to transform my entire life into a virginal,
ceaseless act of love, together with a cheerful "yes" to
everyone, and a grateful "yes" to everything. Accept, o
good Jesus, my act of consecration; bathe it in Your
Precious Blood, bless it with Your omnipotent grace, so
that I may be faithful to it until death, and that this
ceaseless act of love, begun here on earth, may become
eternal in heaven. Heart of Jesus, so thirsty for love and
for souls, make of me Your littlest host of love, that I
might cooperate with You and our Most Holy Mother
to the salvation of souls.

Amen.
