

# September

1. *Love is holiness; the more you love Me, the more holy you will become. Remember that it is love, and love alone, that will carry you, victorious, to every summit. (Jesus)*
2. *Follow Me with the ceaseless act of love, day by day, hour by hour, minute by minute; I Myself will take care of all the rest, I Myself will provide. (Jesus)*
3. *I leave you the struggle against useless thoughts because it's meritorious for you. When we desire to do nothing but love, all obstacles to this love become a source of merits. (Jesus)*
4. *As long as you love, the devil can't cause a bad thought to enter into you because all of your faculties are absorbed by love; but if you stop loving, then yes he can do so. That's why you must always love. (Jesus)*
5. *Don't omit a single act of love for Me, see Me in everyone and say a resolute "yes" to everything, with firm confidence that My help will never lack you. And smile, always smile. I Myself will be smiling through you. (Jesus)*
6. *Remember, the greater your sorrow will be, the more it will show you how much I love you. Always remember that I will manifest the intensity of My love for you through the intensity of the suffering I send you. (Jesus)*
7. *Do you like the cross that I've given you? Are you happy? It's very fruitful, you know! The cross of love is more fruitful than any other cross for Me and for souls. (Jesus)*
8. *You belong to the little souls, and with them the souls who will follow you in giving Me the ceaseless act of love. (Jesus)*
9. *The ceaseless act of love is more powerful than any suffering; so, I place myself above suffering by not ceasing to love. (Sister M. Consolata)*
